OFFSHORE COMPANY FORMATION

Broaden your horizons.

We will help you navigate the world of offshore company formation, identifying the best place to base your business for security, now and in the future.

OFFSHORE COMPANY FORMATION

Understanding the most appropriate business structure for your venture is essential to minimise your tax liability and create the right organisational structure for growth.

To provide you with a wide variety of options, Turner Little incorporates companies in many overseas jurisdictions:

- Bahamas
- Belize
- Bulgaria
- Cayman Islands
- Cyprus
- Czech Republic
- Dominica
- Gibraltar
- Guernsey
- Hong Kong
- Madeira
- Malta
- Marshall Islands
- Mauritius
- Nevis
- Panama
- Seychelles
- Singapore
- BVI
- Delaware
- RAK

We also incorporate companies in all states of America, so we know that company and tax law varies state by state, as does the time it takes to incorporate. In some states of the US, intent to incorporate must be published in advance, and in certain places, state legislation requires the consent of the governor.

All our packages include:

- Government filing fees
- Registered office
- Registered agent
- Full document package
- Company kit and seals

We also offer:

- LLC operating agreement
- Notarised and apostilled documents
- EIN for non-US persons
- Banking arrangement
